| <u>File name</u> | <u>File version</u> | <u>WHQL submission ID</u> |
|------------------|---------------------|---------------------------|
| sisraid.sys      | 5.1.1039.1090       | SiS180:978826             |

Products applied to: SiS180 and SiS964

- b. SiS180 SATA/RAID driver for Windows XP Professional x64/Server2003 x64 Standard Edition

| <u>File name</u> | <u>File version</u> | <u>WHQL submission ID</u> |
|------------------|---------------------|---------------------------|
| sisraid.sys      | 5.1.1039.1090       | SiS180:978828             |

Products applied to: SiS180 and SiS964

- c. SiS182 SATA/RAID driver for Windows XP/2000

| <u>File name</u> | <u>File version</u> | <u>WHQL submission ID</u> |
|------------------|---------------------|---------------------------|
| sisraid2.sys     | 5.1.1039.2030       | SiS182:935618             |

Products applied to: SiS965 and SiS965L

- d. SiS182 SATA/RAID driver for Windows Server 2003 Standard Edition

| <u>File name</u> | <u>File version</u> | <u>WHQL submission ID</u> |
|------------------|---------------------|---------------------------|
| sisraid2.sys     | 5.1.1039.2030       | SiS182:935615             |

Products applied to: SiS965 and SiS965L

- e. SiS182 SATA/RAID driver for Windows XP Professional x64/Server2003 x64 Standard Edition

| <u>File name</u> | <u>File version</u> | <u>WHQL submission ID</u> |
|------------------|---------------------|---------------------------|
| sisraid2.sys     | 5.1.1039.2040       | SiS182:977499             |

- f. SiS180/181/182 SATA/RAID driver for Windows ME/98se
    - File name            File version            WHQL submission ID
    - sisraid.mpd        5.0.1039.1061        N/A
    - Products applied to: SiS180, SiS964, SiS965 and SiS965L
  - g. SiS180/181/182 RAID application v1.0.7.0 for Windows XP/2000/Server 2003 Standard Edition
    - Products applied to: SiS180, SiS964, SiS965 & SiS965L
  - h. SiS182 Hot-plug application v2.10 for Windows XP/2000/Server 2003 Standard Edition
    - Products applied to: SiS965 and SiS965L
