A* : Supports one module inserted in any slot as Single-channel memory configuration

B* : Supports one pair of modules inserted into either the blue slots or the black slots as one pair of Dual-channel memory configuration

C* : Supports 4 modules inserted into both the blue and black slots as two pairs of Dual-channel memory configuration

Note :
A* : Supports one module inserted in any slot as Single-channel memory configuration
B* : Supports one pair of modules inserted into either the blue slots or the black slots as one pair of Dual-channel memory configuration
C* : Supports 4 modules inserted into both the blue and black slots as two pairs of Dual-channel memory configuration
