Please note the following Partner responsibility regarding customer-provisioned software packages and impacts on power management. If a Partner is hired by a customer to load a custom image, a Partner must take the following steps:

The Partner must let the customer know that their product may not meet ENERGY STAR with the custom image loaded (a sample letter is available for use from the ENERGY STAR website that can be shared with customers).

The Partner must encourage their customer to test the product for ENERGY STAR compliance.

The Partner must encourage their customer, should the product no longer meet ENERGY STAR, to make use of EPA's free technical assistance that can assist with Power Management performance. Please see tools as well as contact information at: www.energystar.gov/fedofficeenergy.
