Regulation/Standard: ENERGY STAR<sup>®</sup> Program Requirements Product Specification for Computers  
Eligibility Criteria Version 5.2

Dear Ms. Chao:

Any information and documentation involving UL Environment (ULE) Certification Mark are provided on behalf of UL Environment Inc. or any authorized licensee of UL Environment Inc.

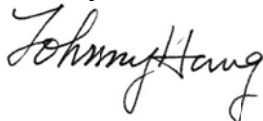

UL Environment's Energy Efficiency investigation of your product has been completed under the above project number and the subject product was determined to comply with the applicable requirements.

This authorization is effective from the date of this Notice and temporarily supplements ULE's Conformity Integrity Service (CIS) Program and serves as an authorization to apply the ULE Certification Mark to the subject product as well as the Energy Efficiency Marks identified below:

Energy Star

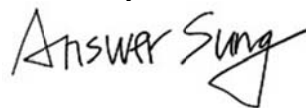

Products that bear the ULE Mark shall be identical to those that were evaluated by ULE and found to comply with ULE's requirements. If changes in construction are discovered, appropriate action will be taken for products not in conformance with ULE's requirements and continued use of the ULE Mark may be withdrawn.

Sincerely,

Johnny Hung
